

SIMPLE RENTAL CHARTER

Charges and Payments

Upfront Payment

Upon checkout, customers will be expected to pay one month's advanced rent.

Deposit and Refunds

The customer will be required to pay a refundable deposit equal to one month's rent upon key collection. The deposit will be refunded in full following the completion of the agreed notice period, the safe return of keys, padlock, entry fob and an internal inspection. The customer must ensure the container is left in a clean and tidy, rentable state on termination, in line with the 30-day contracted notice period. The Green Container Company reserves the right to retain part or all of the deposit in instances where the preceding is breached.

Monthly Billing

Our billing period runs from the 1st of each month. Any odd days will be charged and invoiced accordingly followed by a rolling monthly invoice for the duration of the hire.

Van Hire

Customers looking to rent for longer than 6 months are entitled to a 1x free van hire from Aylesbury Van Hire. A complimentary code will be provided upon email confirmation.

Note: We reserve the right to provide customers with an invoice equal to the cost of the van hire if their agreement is terminated prior to completing a six month commitment.

Rental Termination

Customers are expected to provide at least one month's notice in writing prior to terminating their rental agreement. The company may at any time require the removal of goods within 14 days from the date of written notice, or in the case of perishable goods, 3 days.

Where customers fail to comply with payment terms or any payment from the customer is overdue, the company may notify the customer in writing that the goods may be sold or otherwise disposed of at the customer's risk if such payment is not made within the notice period. On expiry of the period, if such payment has not been made and/or the goods have not been so removed the company may sell or otherwise dispose of the goods.
